SMART ENGINE UNMATCHED PERFORMANCE

Superior Engine is the heart and soul of your 3 wheeler. Ape City is India's First 3 Wheeler with 3 Valve Italian Technology and a 4 Stroke Engine. This technology utilizes each drop of fuel and gives you an uninterrupted performance. This results into More Mileage, More Power, More Pick-up and a longer Engine Life. It comes enclosed in a strong Aluminium Engine Body that reduces heat and noise levels. Starter Motor with best capacity will offer you a superior performance. Go ahead, be unstoppable at every turn.

- 4-Stroke Aluminium Engine – Less Noise and Reduced Heat
- High Capacity Starter Motor – Longer Life
- Highest Power & Pick-up in its class

Trusted 3 Valve Italian Technology for More Mileage & Unmatched Performance.

STRONG BODY COMPLETE SAFETY

Reaching destinations on-time on bad roads is itself a huge task. Bad roads affect the performance and life span of a 3 Wheeler. But the brand new Ape City ensures a smart drive even on bad roads. It features a truly Strong Body, loaded with Monocoque Chassis and a robust Metal Sheet for a safer drive. Better Suspension and Solid Shock Absorbers promise a super smooth and comfortable driving experience. It won't ask for frequent greasing due to maintenance-free Flexible Couplings. It will save your time and money. Come and experience a smart drive with the New Ape City.
